A MESSAGE FROM THE CHAPTER PRESIDENT...

Brother Knights of the Pittsburgh Chapter,

Our 110TH Anniversary excursion began on Friday, Aug. 25th gathering in the lobby of the Ramada Inn, State College, Pa., then venturing to converge at the Pennsylvania Military Museum, 1 adjacent to the Boalsburg Mansion and Columbus Chapel museums. Our two hour guided tour was a fascinating trip through the history of Pennsylvania's 28th Calvary's involvement, in the many United States Military achievements since the Spanish Civil War. Among the many excellent exhibits in the museum, was the one that put you into an actual simulated trench to experience what it was like to fight in WW I. Another notable exhibit contained an original WW II Jeep, designed and produced by the Bantam Motor Car Co. produced right here in Butler Pa. The U.S. Army liked the prototype and ordered thousands of them, which the little Bantam Co. could not fill, so they subsequently sold the patented design to the Willys Motor Car Co. who later went on to make military history.

On Saturday, Aug. 26th, we visited the Christopher Columbus Chapel and Boalsburg Mansion Museums. Our tour guides were well informed, and filled the two hours with a tour through the history of the Boal Family and their many connections, not only to five U.S. Presidents, but to the history of Spain, France and our hero Christopher Columbus. Of the many fascinating facets of the tour were the actual portable desk that the Admiral Columbus carried from ship to ship. The desk stayed locked for many years before the current director found the actual key. What was considered a empty desk

**SEMINARIAN UPDATE...
from Michael Lynch**

We now have thirty-three men studying for "His" Holy Priesthood in the Diocese of Pittsburgh, including seven new seminarians. These thirty-three men need our support, both spiritually and financially. The councils, assemblies, circles and chapters in the Diocese of Pittsburgh have been outstanding supporters of our seminarians in the past, and we need for that support to continue or increase.

Information on the seminarians has been posted to the Pittsburgh Chapter web-site. We encourage you to share this information with your members and consider supporting as many of our seminarians as you can afford. Our "goal" again this year is to have 3 units support each man with \$1,500.00 total per seminarian. Remember, the Seminarian you support today may be the Pastor you deal with tomorrow!

turned out to produce many original writings, journals and notes that are still being analyzed by the curators. Director Robert Cameron stated that finding items related to Christopher Columbus in the attic of the Boal family Mansion is "like being involved in an archaeological 'dig' without the dirt". What is interesting is, that we are finding out more history in Columbus's favor, that should resist the movement to discredit him, by those who wish to tear down any credit we give to our Historical Founders.

Later, after an excellent group dinner at the Historical Boalsburg's "Duffy's Tavern, we all attended a hilarious English Comedy Farce, titled "Funny Money". After Sunday Mass at nearby, Our Lady Of Victory, Roman.Catholic Church, some of us ended our excursion in a grand manner by experiencing the delicious ice cream, made at the famous Penn State Creamery.

Those who were able to attend enjoyed each others company, the great food we were served, the fascinating history involved, and all agreed it was a wonderful way to celebrate our Chapter's 110TH Anniversary.

Vivat Jesus!
