A MESSAGE FROM THE CHAPTER PRESIDENT...

Brother Knights of the Pittsburgh Chapter,

The month of May - a continuum of the Easter Season is also the month of our 121st State Convention! How many of our brother Knights know that, or are even interested in knowing that? Do many of our Councils realize the importance of being represented at the largest gathering of the State, not just to bring back to their respective Councils relative information that should be considered of some importance, but to experience the fellowship of statewide association, (so important to our Degree of Fraternity) that may last a lifetime.

Now, some may offer the excuse of the obvious expense of attendance, (which the State Council strives to keep to a manageable level). Yes, it is expensive to attend a State Convention, and that is one of the main reasons the State developed the "Football Sweeps", and "Label" programs. Along with the charitable needs satisfied by these programs, your Councils are to receive a stipend designated to encourage your Grand Knights and Delegates to attend the Convention. Unfortunately, a great many of the Councils just replenish their treasuries and encourage no effort to attend the Convention. To be fair, a good many of Council officers are unaware of this advantage, so let's lay the blame where it belongs, those who are supposed to "Pass The Torch" to their new officers!

Happy Easter Season to all!

Joe Ferruzza, President, Pittsburgh Chapter of the K of C

MIGHTY McGIVNEY AT BAT

With the baseball season in full swing, here is a fun fact: Venerable Father Michael McGivney, founder of the Knights of Columbus, played ball. And if one game is any indication, he was pretty good.

Father McGivney is hardly alone. Plenty of baseball legends have been active members of the Knights of Columbus.

The Club at Shadow Lakes, Aliquippa, PA

Entry Deadline July 17

Golfer Entry Fee - \$75/person

The 2019 tournament has a major change from previous years.

This year, a member may invite a non-member to participate in the state tournament on a one-to-one basis i.e. if four members of a council register for the tournament, they are permitted to invite four non-members also. (We are hoping that this may help the Order in recruiting new members!)

The non-members scores will not be used to determine the PA Knights of Columbus winning councils but are eligible for all other prizes (long drive, longest putt, etc.) On your registration form, please indicate whether the entrant is a member of the Order or a guest.

See application on page 3!

THINGS WE DO OUT OF LOVE !!!!

With Mother's Day coming up and Father's Day right around the corner, we spend a lot of time thinking about our loved ones. We do much more than think about loved ones; we give gifts and send greeting cards. Why all the fuss? To show our love, of course! But have you ever considered that you should Insure "Your Love?"

That's really what insurance is all about. People buy insurance because they love someone. People buy life insurance because they love their wife and children. We don't want them to experience a lack of money if we are not here to provide for them. Often times we want to make sure they can stay in the same home we love; We want to make sure that our children will have the college education they will need; We want to ensure that our daughter's will have the wedding they have always dreamed of; We want our families to continue to live the lifestyle we have been so fortunate to be able to provide. We can even get policies that have living benefits that we can enjoy!

In addition to life insurance the Knights of Columbus offers Disability Income Insurance, Long Term Care Insurance and Retirement Annuities. All of these help Insure Your Love. If you can't work because of illness or injury, your disability income insurance will provide for the necessities until you can work again; your long term care insurance will help you stay in your home or go to a nursing home and get the care you need without being a financial burden to your family; your retirement annuities will help your wife and you enjoy your golden years. All these products help you insure your love.

Let me suggest to you to buy that gift, get a beautiful arrangement of flowers or a dozen roses and include a card; but then sit down with me and with your wife and let me show you how you can Insure Your Love. Also remember, when you support the insurance program, you are also supporting all the charities of the Knights of Columbus.

Vivat Jesus!
